

# Signature Survey for Filming

## August, 28 2009

Dear Resident:

Filming activity in residential areas is restricted between the hours of 10p and 7a. In order to film during these times we are required to obtain signatures from nearby neighbors, who may be effected, acknowledging they have been notified and are amenable to the filming.

We have applied for the necessary permissions from the City and maintain all legally required liability insurance. When permission is granted, a copy of the Use Agreement will be on file at the City's Film Commission Office and will also be available on location.

We will make every effort not to disturb you and will not arrive earlier or vacate the neighborhood later than the agreed upon time. We appreciate your hospitality and cooperation while we are filming in your neighborhood.

Sincerely,
